Thanks for asking, Chris! I assumed we'd meet at 10 am since the consultation was scheduled at 10 am in January, and I have a rough plan for our travel based on that assumption. Good to know we may need to be more flexible. I will certainly stay tuned.

Heads up -- Rich and I are hoping to see the site, as long as we are both traveling. Would you or someone else from the team be available to walk around the site with us? My rough plan looks like this:

Monday, April 4
Leave Seattle 8 AM, arrive Cascade Locks at noon.
Lunch noon to 1
Site tour 1 to 3
Drive to Toppenish, leave at 3, arrive a little after 5 pm

Tuesday, April 5
G to G consultation at 10 AM to noon
Lunch noon to 1:30
Tour museum 1:30 to 3:00
Leave 3 pm, arrive Seattle 5:30 pm

Thank you -- Helen

Hi Julie,

I hope you are well. I am contacting you about our upcoming government-to-government consultation on 5 April. We are starting to prepare for this meeting and would like to know if the attached agenda is still good. We would like to request your consideration to schedule our meeting to be first on the overall meeting agenda, if possible, to allow some on our team to travel back to Portland in time for childcare commitments. I've also attached a file with all of the attendees from our previous planning effort. Please update the list of attendees from Yakama Nation so we have a current list of who will be there. The list includes USEPA and USACE attendees, but this information has not been updated yet by our agencies. We will provide you a current list of attendees as soon as we have one. I look forward to working with you and having a successful meeting with Yakama Nation.

Thanks,

Chris Budai
